### Welcome Eli!

Eli Bazzell is a veteran of the United States Air Force and a credentialed Mental Health Counselor that has been providing services to the greater Spokane area since graduating with a Bachelor of Science from Eastern Washington University in 2022.

When not working Eli spends his leisure time with family, often playing board games and reluctantly watching scary movies.

### 2025 Touching Lives

As we reflect on 2025, we are incredibly grateful for the impact our Pacific Sky Alumni community has made. This year alone, 27 individuals found recovery through alumni services, proving that recovery doesn't end once we leave. THANK YOU to the alums that continue to share their gifts of recovery with others!!
